The NH Granite State Conference Program Committee invites you to submit a presentation proposal for our annual state conference. Our theme, Together. Towards. Tomorrow is about working together today and marching toward a better tomorrow. To that end, the conference will have three tracks that participants can choose from. These tracks are:

- General HR
- Strategic HR
- Legal/Legislative

The conference will be held at The Expo at the Radisson Manchester on Tuesday, April 30, 2019 for a full day and Wednesday, May 1, 2019 for a half day. Expected attendance is 300 participants, the majority of them HR professionals. The conference will include an early keynote and closing keynote on Day 1, as well as a closing keynote speaker on Day 2, and concurrent, breakout sessions (ranging from 1-1 ½ hours). It is preferable, but not required, that concurrent sessions contain an audience interactive component and/or case studies. We will need three Keynote presentations as well as a number of breakout sessions to fill the day and a half.
